AMERICAN MADE TANKS AID RUSSIAN ADVANCE ON KHARKOV

Domestic Airline Travel Placed on Full War-Time Basis

Axis Columns Said To be Pounding at The Gates of Kerch

BY ROGER D. GREENE
Associated Press War Editor

With American-made tanks blazing away, Russia's armies were reported to have crashed through the inner defenses of Kharkov in at least two places today, after sweeping seven miles beyond the Donets river and smashing more than 150 German tanks in two days.

London diplomatic quarters said they heard Adolf Hitler was stunned by the unexpected power of the Soviet offensive that he had instructed his ambassador to Tokyo to increase pressure on Japan for an attack against Russia.

MAPS SAID TO BE 80 MILES INSIDE INDIA

Heavy Remnants of British Army in Burma Cross Into the State of Manipur

IN THE FAR PACIFIC

New Delhi, India, May 15.—(P)—British forces retreating up the Chindwin river valley of Burma toward the Indian frontier have extricated themselves from their dangerous situation, it was said officially today.

By the Associated Press
Chinaxing a bloody five-month battle against hopeless odds, the last weary remnants of the British army in Burma have crossed into Manipur state in eastern India, it was reported today, while the Vichy radio declared Japanese troops had advanced 80 miles into India along the Bay of Bengal.

The Vichy broadcast quoted Japanese and unconfirmed reports that the invaders had reached a point within 16 miles of Chittagong, only 210 miles from the great Indian metropolis of Calcutta.

The withdrawal of the last British force, estimated at 5,000 men, followed a dogged retreat on the border of the Bay of Bengal and a Japanese thrust which separated the British from their Chinese allies commanded by the American Lieut.-Gen. Joseph W. Stilwell.

At last reports, Gen. Stilwell's forces were stubbornly resisting a Japanese advance up the Burma road some 125 miles into China.

Woman Corps Chief Named

Washington, May 15.—(P)—Secretary of War Stimson today announced the appointment of Mrs. William P. Hobby of Houston, Tex., as director of the Women's Army Auxiliary Corps.

The corps, created by legislation approved this week by Congress, will be composed of women volunteers for service with the army, to replace enlisted men now assigned to such non-combatant duties as typists, telephone operators, clerks and laboratory technicians.

The legislation authorizes 40,000 members.

Mrs. Hobby, who organized the women's interests section of the War Department's Public Relations Bureau and has been its chief for nearly a year, formerly was a Texas newspaper executive, writer and civic worker.

WAR BULLETINS

London, May 15.—(P)—The Oslo radio announced today that Premier Vidkun Quisling of the German-sponsored Norwegian regime had just completed a six-day visit to the German-Russian front.

London, May 15.—(P)—Two girls who said they preferred prison service in the British forces appeared with 20 others today before London's first conscientious objectors' tribunal for women subject to aft. Both were refused exemption.

Toronto, May 15.—(P)—Failing in his third attempted escape, Capt. Frederick Oeser, one of two German air force officers who fled from Bowmanville prison camp 40 miles east of here yesterday, was plucked today by police at the Union Station here.

Ottawa, May 15.—(P)—A 60 per cent reduction in gasoline rations for the three Canadian maritime provinces was announced today by the Minister C. D. Howe, effective at midnight tonight.

Folkestone, England, May 15.—(P)—The roar of planes bound east over the Strait of Dover late today signaled resumption of daylight attacks against the German-occupied continent, after several days of idleness due to bad weather.

LAVAL HOLDS OFF MAKING STATEMENT

Weekend Cabinet Meeting At Vichy is Postponed Until Saturday Night

DEMobilizing SHIPS

Vichy, France, May 15.—(P)—The regular weekend cabinet meeting has been postponed from Saturday morning until Saturday night, when the latest developments in relations with the United States over Martinique are expected to be considered.

Chief of Government Laval held almost continuous conferences last night with Chief of State Marshal Petain, Admiral Darlan, Colonial Secretary Jules Evie and others concerning American relations.

Laval had been expected to make a statement on U. S. relations yesterday, but was understood to have held off because, according to authorized circles, "the French government does not want to abandon the rigorous reserve it has observed up to now as long as there is no clear-cut evolution of the situation."

Authorized circles said the most important economic problem was that of labor, particularly in the mines, where there is insufficient specialized manpower for even essential French needs.

These circles said the crisis was "grave" and was "part of a more general crisis which concerns French industry."

They referred to the recent German measures to increase working hours in occupied areas.

Washington, May 15.—(P)—The work of demobilizing French warships is going forward at Martinique, Secretary of State Hull said today, and agreement thus has been reached on the vital phase of military questions under discussion at the Caribbean island.

The status and future usefulness of French merchant shipping now idle in the island harbors of the French possession, he indicated, is more of an economic question than a military one.

This and other questions relating to the economic life of French Caribbean possessions, he told his press conference, is continuing under discussion and may take some time to conclude.

Other questions of a military nature, Hull added, also still are under discussion.

BRIDE'S FATHER IS FACING COURT ACTION

Portage, May 15.—(P)—The father of a 15-year-old girl who left school to get married was notified by Trust Officer J. W. Buckwalter today that he must either make her return to school or face court action.

Velma Duttry and the Rev. Evan W. Garland, 26, a Nazarene minister, were married several days ago with court permission.

The father, F. M. Duttry, told the trust officer: "I'm not responsible for her any more. I can't do a thing about it. It's up to her husband."

But Buckwalter asserted that responsibility for a minor rested with the parent.

FIGHTERS WEIGH IN

New York, May 15.—(P)—Lightweight champion Sammy Angott of Washington, Pa., will have a 1½-pound advantage over Challenger Allie Stolz in their 15-round title bout at Madison Square Garden tonight. Angott weighed in at 134½ pounds to 133 for Stolz.

Tax Proposal Is Rejected

Washington, May 15.—(P)—The House Ways and Means committee rejected today treasury proposals to tax the interest on outstanding or future state and local securities.

Chairman Doughton (D-N.C.) told newspapermen at the end of a morning session of the committee: "We have voted not to tax the interest on state and municipal securities either outstanding or future."

Secretary Morgenthau of the treasury had recommended removal of the present tax exemption on such securities to raise 200,000,000 as part of the big tax program which is being developed.

Morgenthau told the committee that through tax-exempt securities persons with large tax paying (Turn to Page Thirteen)

Heroes of the Coral Sea Battle at Sydney

Sydney, Australia, May 15.—Three sailors at a hotel bar drank slowly, thinking of things far away.

Suddenly, glass tinkled. The men had broken their drinking glasses in unison.

"What did you do that for?" he beligerently asked the hotel keeper.

"You'd better go away. We're toasting comrades who didn't come back."

That terse reply ended the incident—and disclosed that the first men who fought the battle of the Coral Sea were back from what might have been the greatest naval action since Jutland.

Senate Turns Down Plan To Tag 'X' Cards

Downey and Pepper Are Only Ones Voting in Favor of Proposal

BARKLEY FORCES VOTE

Washington, May 15.—(P)—Without debate, the senate rejected 66 to 2 today a proposal to put members on record as pledging themselves to waive any special privileges in obtaining rationed gasoline.

Senator Downey (D-Calif.), author of the resolution, which aroused bitter criticism yesterday, and Senator Pepper (D-Fla.) cast the only votes for the proposal.

Democratic Leader Barkley of Kentucky, who forced the vote today, had attacked the resolution as impugning the honor of the senate.

President Roosevelt expressed the opinion today that gasoline rationing cards should be a matter of public record.

Why not? He asked a press conference.

He was asked about suggestions that holders of ration cards be required to place on their windshield stickers showing what kind of card they had, just in case the holder of an "X" card showed up at a ball game.

The president said that was a new one on him and he did not think he should be asked that question. He laughed when reporters quipped that the stickers would be invitations to rock throwing.

The Office of Price Information has ruled that who got what type of rationing card was confidential information.

DISTRICT BUSINESS IS STILL CLIMBING

Pittsburgh, May 15.—(P)—Business in the Pittsburgh district rose slightly last week despite moderate losses in the volume of trade and originating shipments, the University of Pittsburgh reported today.

The gain from 145.7 per cent of the 1923-25 average to 146.2 per cent was attributed to an increase in blast furnace operations and recovery of soft coal production from a drop in the preceding week. Sales of electric power were unchanged. Freight loadings decreased chiefly as the result of a drop in shipments of iron and steel products.

Recognition Given Civilians For Non-Protective Services

Harrisburg, May 15.—(P)—Official recognition was extended today to civilians who donated their services in non-protective work to further the war program.

The State Defense Council announced creation of the U. S. Citizens Service Corps for persons who served 50 or more hours as volunteer workers.

Members will be certified by local councils of defense and will be entitled to wear lapel buttons or arm insignia featuring a "V" in the center of a white triangle, with the letters "CD" in red at the side.

Another new group eligible to wear emblems was announced under the name "Auxiliary Group."

This will include limited numbers of doctors, nurses, newspaper reporters and photographers, clerical workers, undertakers, telephone and telegraph operators, and operators of essential transportation facilities.

The auxiliary group will be eligible for special armbands or automobile markers to permit them to move about on necessary duties during blackouts and air raids.

START DRIVE AGAINST GAS CHISELERS

State - Wide Investigation Of Motorists Holding "X" Cards Launched By Officials

WARNING IS RENEWED

Philadelphia, May 15.—(P)—In a swift drive against gasoline chiselers, the regional OPA began a state-wide investigation today of all motorists holding X ration cards.

Howard Browning, information officer, said 40 staff investigators were assigned to the inquiry and that the force might be bolstered with men borrowed from the federal wage-hour division.

The greatest number of X cards, Browning said, was issued in Philadelphia, with Harrisburg second. However, he declared the investigation will extend into "virtually all communities."

Robert J. Callaghan, chief OPA enforcement officer, warned that persons who had made false statements to rationing boards were subject to \$10,000 fine and 10 years imprisonment.

Persons who return X cards immediately will be "asked no questions," Callaghan said.

The investigation was launched as rationing of gasoline started in 42 Pennsylvania counties. Many stations had no gas to sell, their stocks having been depleted by a land office business on the last day of unrestricted sales in the central and eastern sections.

Meanwhile, the 25 westernmost counties, unaffected by rationing, were given a prediction by Congressman James E. Van Zandt that restricted sales would be extended to that area within a week or 10 days.

The representative said the only reason that section was exempted was because of a 135,000-barrel surplus of gasoline near Oil City and Titusville, "which can't be sent east because of transportation difficulties."

Petroleum Coordinator Ickes announced in Washington, however, that expansion of rationing areas hinged upon whether the government decided to use this means to save rubber and that there was no need of broadening the restricted areas from the gasoline point of view.

T. Elmer Traneau, state rationing administrator, who reported registration was completed without trouble asked motorists dissatisfied with their classifications to delay complaints until the local boards "get straightened out."

FARMERS VOTE TO JOIN C. I. O. UNION

Latrobe, May 15.—(P)—Members of the United Farmers of America voted at a meeting here yesterday to recommend to the organization's general membership that it affiliate with the dairy division of the CIO United Mine Workers.

The action was taken after Ralph Marlett, national organizer of the UMW dairy division, explained the objects of the union. About 150 attended the meeting, which launched the UMW drive to unionize dairy farmers in southwestern Pennsylvania.

The UFA, which claims several thousand members in Pennsylvania and New Jersey, is an independent organization of dairymen.

Fireman Held As Incendiary

Hartford, Conn., May 15.—(P)—Superior Court Judge Ernest A. Inglis issued a bench warrant today charging a 30-year-old volunteer fireman with starting or attempting to start eight fires in eastern Connecticut, recently the center of a series of blazes which caused \$3,000,000 damages in this state and neighboring Rhode Island.

The volunteer, Edward F. LaCasse, was blamed in the warrant with setting in his home town of Plainfield two fires he himself later helped to fight.

Sergeant Frank N. Kenny, of the Rhode Island state police, present in the Putnam courthouse when LaCasse appeared before Judge Inglis, said the prisoner also would be charged with arson in (Turn to Page Thirteen)

Saturday Issue Suspended

Effective this week publication of the Saturday edition of The Warren Times-Mirror will be discontinued for the duration of the war.

This decision has been reached as a result of the restrictions and regulations affecting every product used in the publication of a newspaper, along with the loss of important sources of revenue, created by the war. It is in keeping with a policy that has already been instituted by a great many papers throughout the country.

We feel that suspension of the Saturday edition will be a contribution to the war effort since it will result in curtailments that will mean considerable saving in materials and equipment now badly needed by the government in the prosecution of the war against the Axis.

In order that citizens of the community may be protected on news happenings of local, state, national and world-wide importance, a small force will be maintained in the editorial department each Saturday to place on the bulletin board news flashes and bulletins meriting such posting. Information will also be freely given when such requests are received over telephones in either the editorial rooms or business office. For this purpose we will continue to receive the full leased wire report of the Associated Press each Saturday. The business office will be open from 9 a. m. to 4 p. m.

In the future routine news that ordinarily would appear in the Saturday edition will be printed Friday. The Saturday strip cartoons will also appear on Friday in order that readers will be able to follow the continuity of the stories they unfold.

All copy for advertisements, church notices, etc., intended for publication in the last edition each week should be in the office Thursday afternoon or early Friday morning.

Registration of Voters in State Drops 91,787 in Year

Don't be Ashamed to Admit You Fear War

Cleveland, May 15.—(P)—Afraid of the war? Don't be ashamed—just admit your fear. It'll be better for the children.

So said Dr. Bert I. Beverly of Chicago in discussing the psychological aspects of youth and the war at the third region conference of the American Academy of Pediatrics today.

"Everyone is scared at the present time and it is nothing of which adults or children should be ashamed," he said. "Actually it is a desirable state of mind because it stimulates effort, promotes alertness and with its close ally, resentment, adds determination."

Candidates for Highest Office Making Most of Remaining Hours

DEM. LOSSES HIGHEST

Harrisburg, May 15.—(P)—Registration of voters for Pennsylvania's primary election next Tuesday dropped 91,787 since 1941, a survey of the Associated Press showed today.

With official enrollment figures for this year lacking only from Lackawanna and Luzerne counties, the registration totaled 4,657,810 in the 67 counties as compared to 4,749,597 a year ago. Republicans have an edge of 659,393 over the Democrats.

The reduction of Democratic registration was 48,851 as compared to a drop of 40,721 in the Republican camp. For minority groups it was 2,215.

Candidates for the state's highest offices were making the most of the few remaining hours left to them for stump speeches. Most candidates will wind up campaigns tomorrow.

At Harrisburg Major General Edward Martin, campaigning for the Republican gubernatorial nomination, asserted the state needed a military man in the governor's office.

Mexican Ship Is Torpedoed

COMPANIONS ESCAPE

Miami, Fla., May 15.—(P)—Mexico's efforts to preserve neutrality in the present war were strained after an Axis submarine stalked at night a fully-lit Mexican tanker and sent a torpedo crashing into the illuminated Mexican flag painted on her side.

Fourteen men died, including the captain and deck officers who had gathered on the bridge when the undersea boat began its cat-and-mouse game half an hour before the torpedo finally came. Twenty-two survivors reached shore, but one, 54-year-old seaman, died at a hospital of internal injuries.

Negotiable Wealth Removed From Philippines by U-Boat

Washington, May 15.—(P)—A large part of the negotiable wealth of the islands.

This property belonged to both the Philippine commonwealth and the banks, mines and residents of the islands.

The mission was carried on by a submarine commanded by Lieutenant Commander Frank W. Fenno, Jr., 39, of Westminister, Mass.

Fenno and all his officers and men subsequently were decorated by the war department for their achievement.

PRESIDENT SAYS PLANES ARE NEEDED

Almost Anything That Can Fly Useful to the Government Executive Declares

300 SHIPS AVAILABLE

Washington, May 15.—(P)—Declaring that more transport planes are needed, President Roosevelt told a press conference today that we are getting into actual fighting more and more and at more places all the time.

The chief executive told of increased American fighting in various parts of the world during a discussion of his order permitting the war department to take control of all the planes of commercial airlines.

We need all the planes we can get, he said. Every kind is being taken over, he added, including what he termed puddle jumpers and one-or-two-man ships. He asserted that almost anything that can fly is useful to the government.

The president did not elaborate on what new fronts American men might be fighting. Nor did he care to answer a question as to whether American troops had taken part in the British occupation of the French island of Madagascar near strategic United Nations supply lines in the Indian Ocean.

The airline order means that domestic airline travel will be placed on a full wartime basis in the near future, with the army operating or controlling the nation's entire fleet of more than 300 transport planes.

Mr. Roosevelt said he was inclined to think there was an increasing necessity in this country for curtailing private plane travel.

Asked whether his words should be taken to mean that he thought there would be no shortage of planes for traveling facilities, the president remarked that people could stand up. He said, however, he should not think there would be any problem for the time being, particularly since more people would be sticking at their jobs this summer and not going away, either by automobile or train.

The war department, acting on instructions of President Roosevelt, announced last night the army would take over operation of 80 or more of the airlines, while approximately 70 others will be converted into cargo carriers, to be operated by airline personnel for the military.

REPATRIATES READY TO DOCK AT LISBON

Berlin, (From German Broadcasts), May 15.—(P)—The Swedish steamer Drottningholm bearing Axis diplomatic and consular repatriates from the United States and Central and South America arrived at Lisbon last night and was to dock today.

The first group of Axis passengers were scheduled to board a special train today, enroute home via Spain, while Anti-Axis passengers, to complete the transfer, prepared to board the Drottningholm for return to America.

Irun, on the French-Spanish Frontier, May 15.—(P)—Seventy-four United States citizens, mostly diplomats and newspapermen, enroute from Germany and occupied France to Lisbon to be exchanged for German nationals, entered Spain by special train today.

18-YEAR-OLD RUSSIANS CALLED TO REGISTER

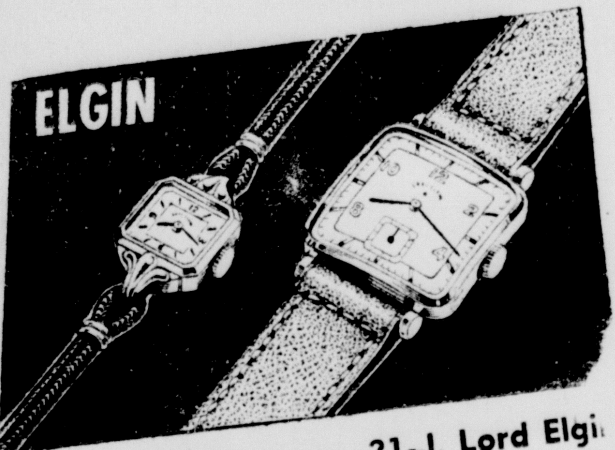

Moscow, May 15.—(P)—The Red army ordered 18-year-old youths today to register May 17 for their regular period of military service.

This annual registration is preparatory to the autumn call to the colors. Besides the regular class of 1924, members of the classes of 1923 and 1922—19 and 20-year olds—who have not previously registered were ordered to do so.

It Happened In WARREN-46 YEARS AGO

This is the ninth in a series. Names in the news and little happenings taken from the Warren Evening Mirror, bring to us in 1942 an atmosphere of 1896.

A message from Dr. Pierce at North Warren to the burgess at 3:40 this afternoon states that a big fire is raging there and asks that the fire engine be sent at once.

—why the delayed petition to put out a fire?

Soda fountains are getting ready for the Summer sizzle.

The Winter girl is now training her hair into severe becomingness, providing for the Summer days when humidity and wavy locks do not agree.

The East Side Warren Hose Co. is an institution worthy of aid and encouragement. When the good-looking ladies helping the East Side boys call on you, don't sneak out the back door. Put your hand in your pocket and give your little mite. You never know what a good thing a well-equipped fire company is until you see your own hard-earned possessions take flight in smoke.

All who won in the bicycle races Saturday night are requested to call at the Columbian Athletic rooms and receive their prizes.

W. M. Lindsay was an Oil City visitor Monday night.

The number of immigrants that arrived in New York in February was 11,882, or about 65% increase over last February.

"Public Highways" an essay by Elizabeth May Hammond was a very sensible, reasonable and practical production at Commencement last night.

F. H. Rockwell, Miss Rockwell and Albert J. Rockwell have returned from New York today.

This political announcement in 4 point type: Please announce my name as commissioner of Warren County, subject to the decision of Republican primaries. I shall make no canvass, buy no votes, drink no beer, smoke no cigars. If the voters of Warren County see fit to place me in office, I will endeavor to be an honest, faithful servant of the people. Respt.—J. J. Wheeler.

Dr. Richard B. Stewart returned from Chicago today.

The will of the late Samuel Cogswell was read to the heirs by attorney C. C. Thompson Tuesday, and has been filed for probate with Wm. McCray. The largest part of the estate is bequeathed equally among his children.

WARREN MOTORISTS ON TRIAL

Governor James Thursday appealed to all Penn-
sylvania motorists to restrict their driving to a minimum
regardless of the nature of whatever gasoline rationing
cards may have been allotted to them, and citizens of
the commonwealth should pay strict heed to the warn-
ing of the executive when he says "Patriotism demands
that none of us drive a single mile which can be avoided.
Not one gallon should be used that is not absolutely
necessary."

This part of Pennsylvania is on trial and unless
motorists get next to themselves, they are going to find
gasoline rationing in effect in the district any day. Such
a prediction was made in Oil City yesterday and is being
repeated in other towns. Government officials have
already sounded the warning. They have told drivers to
"go easy" in using gasoline, hinting that if consumption
becomes too great it will be necessary to clamp down
by extending the rationed area westward.

This means that while we in Warren, as well as all
drivers in the excluded area, can buy as much gasoline
as we desire, we should use as little as possible. In
other words, all unnecessary motoring should be stopped.
Workers should "double up" by riding to their places of
employment in the cars of one another, more than they
are doing, as can be observed by machines that pass
over Pennsylvania avenue each morning and evening.

This morning motorists from Maine to Florida were
placed on a ration basis, limiting the average owner to
three gallons weekly. Any Warren car owner can
imagine how far he could travel on that amount of fuel.
Thank your lucky stars you live in this district where it
is still possible to say "fill 'er up." But bear in mind,
abuse of the privilege may put this county in the same
rationing zone as the rest of the eastern seaboard.

WEEKLY SERMONETTE

HUNGRY HEARTS

(Prepared by the American Bible Society, Bible House,
Park Avenue, New York City)

"Of bread I will say nothing," wrote a refugee in France, formerly
a Communist. "Also, nothing of money. But of Bibles we still have
need." To the hungry heart the Bible is "daily bread." Christians
know that the Bible and the Christ it presents offer the only answer to
the hungry hearts of millions in this dark year.

At its 126 annual meeting in New York City Thursday the Amer-
ican Bible Society reported a circulation of 8,096,977 volumes of
Scripture for 1941. Some hungry hearts have been fed.

But the terrible peril of the hour, according to the Bible Society,
is that, just when this sense of need is so acute and so universal, the
very processes whereby men can get the Bible are now breaking down.
Many do not generally realize it, but virtually all of Asia, Africa,
Latin America, are dependent upon the Bible Societies for the Bible,
and within Europe and North America there are millions of people who
will not have the Bible unless it is brought to them by these organ-
izations.

What is this breakdown? It consists of the crippling effects of
the war upon the Bible Societies. To speak of but one, The great
British and Foreign Bible Society is entirely cut off from Europe where
it annually distributed over a half million copies of Scriptures before
the war. Similar conditions afflict other European Societies, with the
result many European countries are almost Bibleless. Latin America
is crying out for copies that cannot be supplied. In China, the demand
is rising faster than the supply.

The Christian people of America have, through the past year
been the only group able and free to provide this bread for hungry
hearts. Their channel for this ministry has been the American Bible
Society. This Society, an honored American institution organized over
a century and a quarter ago, has through the years endeavored to sup-
ply the Scriptures to every man in his own tongue. With the help of
those who believe the answer is in the Book, the Society will continue
to supply that spiritual food which alone can bring understanding and
comfort to those who hunger and thirst.

There's a wonderful opportunity for local women
between the ages of 18 and 50 to do a commendable
patriotic duty by joining the Volunteer Nurses' Aide
Corps which is being formed by the Warren County
Chapter of the American Red Cross.

An audience that taxed the capacity of the Woman's
Club, despite the humidity of the weather, thoroughly
enjoyed the Warren Players' Club presentation of "The
Man Who Came to Dinner," last evening. It is being
repeated tonight and may be recommended as providing
most pleasing entertainment.

Se you Monday, but keep in mind the office will be
open all day tomorrow for the dissemination of news
by telephone and bulletin posted on the board.

Congratulations and best wishes to Frank Kottcamp
who assumed his new position as secretary of the Cham-
ber of Commerce today.

WASHINGTON IN WARTIME

By JACK STINNETT

WASHINGTON—The capital in
wartime:
Much to the consternation of its
citizens, Lowell Mellett's "Mad-
ness"—officially known as the
S. Information Center—did a
thriving business on its opening
day, with more than 4,000 ques-
tions asked and answered. This
sort of knocked the blossoms off
the chief criticism levelled at the
new over-all quiz bureau that it
was unnecessary. For my money, the
best criticism of the bureau—
those new prefabricated building
units set up in the heart of the gov-
ernment office sector at Fifteenth
and Pennsylvania in less than 90
days—came from a wrinkled old
government employee who has
been on the federal payroll for
40 years. Looking at the building,
he said: "It's the only thing we
have hereabouts that makes
World War II look like the New
Yorker's world's fair."

portion of the government depart-
ments and buildings close, the
others are stymied, too. So far as
Washington is concerned, it looks
as if our summer war effort will
depend a lot on the weather.

NOT long ago, the President
took the nation's capital for a
ride by suggesting that all the
"parasites" get out of town. A
couple did. That must have been
about all. When the sugar ration-
ing registration started the other
day, thousands of would-be regis-
trants were turned away because
the District of Columbia, whose
inhabitants live and thrive on the
war effort, didn't have enough
volunteers to handle the crowds.
In many sections, less than 50 per
cent of the persons who had vol-
unteered for jobs as registrants
showed up for work.

ONE of the big problems before
Congress today is how to fix
it so that the boys on the war
fronts from Ireland to Australia
can cast their votes in coming
elections. In the first World War,
more than three million men were
deprived of their right to vote. It
was in that period that the Demo-
crats lost control of the House of
Representatives. Just how many
men will be affected in the coming
elections if no provision is made
for their absentee ballots isn't be-
ing announced but the President,
in his last fireside chat, said we
had hundreds of thousands of men
overseas. In some congressional
districts, that absentee vote could
be the balance of power. The chief
worry is how to obtain registra-
tions, distribute ballots, etc. My
two cents worth is why not handle
the whole business through these
"next of kin"?

MAN ABOUT MANHATTAN

By GEORGE TUCKER

NEW YORK—The cadets of the
United States Military Acad-
emy have established a shrine to
Lieutenant Alexander Ramsay
Nininger, a member of the 1941
graduating class, who died at
Bataan Peninsula. The monument
to "Sandy" Nininger will not
stand on the beautifully land-
scaped grounds of the post, but
if the cadets have their way, it
will be as durable as the granite
figures that do adorn its lawns
and gardens.

The memorial to Nininger is a
show, an annual performance by
a Broadway success, to perpetu-
ate the ceremony which "Sandy"
himself inaugurated only a year
ago, before he graduated and
went to death on a battlefield.
Nininger established the custom
in the spring of '41 by persuading
the management of "Arsenic and
Old Lace" to come to West Point.
This year John C. Wilson helped
carry on the tradition by moving
his company of "Blithe Spirit,"
the Noel Coward comedy, to the
spacious theater-gymnasium on
the post grounds.

"THE Blithe Spirit" players ar-
rived in a war-time atmos-
phere, at a post where an unac-
customed vigilance prevailed.
The stars—Clifton Webb, Peggy
Wood, Leonard Corbett and Mil-
dred Natwick—motored up inde-
pendently, armed with the 1941
day only. Similar passes were
given to other members of the
company, crew and staff who
came by bus. Troops on motor-
cycles met the visitors, saw to it
that their passes were in order,
and escorted them into the
grounds.

The post is well equipped for
theatrical production. The spa-
cious hall has a public address
system which conveys the voices
of the actors to the remote cor-
ners of the building. It has been
endowed with the discarded set-
tings of past hits. The setting of
"Tovarich," for instance, was
adroitly made over into a Kent-
ish living room, which is the lo-
cale of the Coward fable. Lights,
properties and other equipment
are there in abundance, a heri-
tage from the now defunct WPA
theater.

Cadet Alvin D. Wilder, who
succeeded "Sandy" Nininger as
chairman of the arrangement
committee, presided at the lunch-
eon to the company. He credited
John Anderson, New York drama
critic, with smoothing the way for
Nininger. Of the latter he said:
"Sandy had a lively interest in
the theater. On leave, he haunted
the playhouses and read every-
thing he could get hold of on
plays and players. As a matter of
fact, he once aspired to a career
in the theater. But he recognized
shortcomings which would have
prevented him from becoming an
actor. So he did the next best
thing. He came to West Point."

Care in Transplanting Saves Seedlings from Shock

Transplanting is a task which Victory Gardeners must perform throughout the garden year. So vigorous are the young plants which we move, so often do they survive carelessness, we are apt to neglect even the simple technique which will greatly reduce the proportion of failures.

But failures do occur and not all result in dead plants which can be removed and replaced. Often careless transplanting will result in ailing plant, or one which fails to produce flowers or fruit of good quality.

The following points, if carefully observed, will insure that your young plants have a reasonable chance of survival. Dig a hole large enough to spread out the roots without crowding. In the case of seedlings which have a long tap root, it will help promote stocky growth if this tap root is shortened. Avoid permitting air pockets to be formed among the roots. See that soil is filled in properly to cover the roots, and then firm the soil so that contact is close, since without this contact the roots cannot absorb water from the soil. Seedlings should usually be set a little deeper than they stood in the flat. In the case of overgrown plants, it may be wise to lay the stem horizontally under the soil for several inches, rather than let it project above the surface; this is especially the case with tomatoes.

Some of the top of each seedling should be trimmed off to balance

the loss of roots which is inevitable when plants are moved. About half the leaf area may be removed. The soil should be soaked after the transplanting operation is finished. A little dry soil sprinkled over the surface will check evaporation.

Small seedlings may be planted in holes made by a dibber. This is a steel, wood or iron tool with a round blunt point which is stabbed into the ground and twisted, a much faster operation than using a trowel.

Observe distances carefully in transplanting. The little plants may seem lonely when set two or three feet apart, but remember the size they will attain at maturity and see that they have room enough to develop their best.

Vigorous growth in seedlings will be assured if plant food is applied while they are small. It will enable them to develop a good root system, which will feed them well. In transplanting vegetables mix thoroughly one level tablespoonful of complete plant food with the soil in the bottom of the hole before setting the plant. Then apply plant food over a radius two feet from the plant at the rate of one rounded teaspoonful to each square foot of ground.

Four to six weeks later another application of plant food at the rate of two pounds per 100 square feet may be made. This is equivalent to a rounded teaspoonful for two square feet. Apply evenly over the soil surface except that immediately adjacent to the plant.

Coal is the most valuable of all the world's geological products.

Youngsville School Board Sets Millage

Youngsville, May 14—Mrs. R. H. McDowell and Mrs. G. E. Mix from the Youngsville Public Library and Miss Elizabeth Bittle, high school librarian, attended the Northwestern District Library club meeting at the Corry Public Library in Corry on May 12. Miss Bittle spoke at the afternoon session on "Interesting Books for the Teen Age".

SCHOOL BOARD
 At this week's meeting of the Youngsville school board, the tax rate was fixed at 21 mills, which is the same as the preceding year. The budget for the school supplies which has previously been advertised and which has been for some time on display in the school office, was approved at this meeting.

CURRIE-WHITE MEMORIAL
 The annual Currie-White memorial service will be held in an assembly program Friday afternoon of this week at 12:50 p. m. in the White Memorial Hall. A brief student program will be held in appreciation of the Currie and White families to this community.

BRIEFS
 The annual U. B. mother and daughter banquet with an interesting program is being held this evening in the United Brethren church dining room.

Rev. M. E. Wolcott, of North East, was a guest this week at the home of Mr. and Mrs. Frank Hendrickson.

A group of lads of Youngsville High School vocational agricultural department will accompany Supervisor Robert Albright to Penn State College on Friday where they will participate in the judging contests at the college.

Mrs. Frank Johnson was the leader in an interesting mid-week service at the Methodist church. The topic of the meeting was, "Thought and Temptation". Mrs. Paul Reynolds and daughter Miss Nancy, who have been spending some time with her parents, Dr. and Mrs. Knapp returned Wednesday to their home in Warren.

We are glad to welcome back to our community Mr. and Mrs. C. S. Mead and Mrs. Allie Barton, who have been winter visitors in

Mothers Are Honor Guests At Sheffield

Sheffield, May 12—(Delayed in mail)—Members of the American Legion Auxiliary of the Frank M. Glendenning Post, No. 503, entertained the Mothers of Ex-service Men at a 7 o'clock dinner at the Legion Home Monday evening with over sixty members and guests present. The decorations were carried out in spring flowers, pink and white primrose plants and pink candles.

The president, Miss Evelyn V. Peterson, extended a greeting to the mothers and gave two appropriate poems, "A Boy's Tribute" and "The Mother Watch" by Edgar A. Guest. She presented corsages to Mrs. E. E. Kahle, a gold star mother, and Mrs. M. L. Elkas, oldest mother at the dinner.

A musical program was then given, including a vocal solo by Virginia Rae Irwin; clarinet solo, Charles Schick; accordion solo, Ann Yutze; saxophone solo, Ruth Gustafson, and accordion solo, Mary Konestoba.

During the business session, delegates to the Inter-County Council meeting at Kane gave their reports. Mrs. Edith Cronwell presented Mrs. Orabelle Schick with a past president's pin and Mrs. Schick responded with words of appreciation.

Committees in charge of the evening's program included: Program—Mrs. P. J. Finerty; dining room—Mrs. Betty Johnson, Mrs. Ruth Elder; kitchen—Mrs. Ellen Stenstrom, Mrs. Josephine Walker, of Jamestown, was an out of town guest.

Nominate and elect the man who has the full confidence of ALL LABOR . . Judge Ralph H. Smith for Governor

★ Philip Murray

National President, Committee for Industrial Organization, declared his support in a telegram as follows:
 April 8, 1942.

"JUDGE RALPH SMITH

Care Lawrence Hotel, Erie, Pa.

I am sorry the rush of business prevented our talking at length last night because I wanted to tell you that I am completely behind you in your campaign for the Democratic nomination for Governor of Pennsylvania. I have watched your work over the last score of years both as a lawyer and as a Judge of the Common Pleas Court and I want you to know that I regard your record the highest type. There is no question of your complete ability to fill the office of Governor of Pennsylvania and I look forward to being the first to congratulate you in attaining that office. You are free to use this telegram in any way you want. With kindest personal regards and best wishes.

PHILIP MURRAY.

★ James L. McDevitt

President of the Pennsylvania Federation of Labor, wired this unqualified endorsement:
 April 14, 1942.

"HON. RALPH H. SMITH

Harrisburger Hotel, Harrisburg, Pa.

Dear Judge: I am happy to join with the other labor leaders in the Commonwealth of Pennsylvania, in endorsing your candidacy for the Democratic Nomination for Governor. My support of your campaign is based on your splendid record of public service and your efforts of the past in the interest of the working men and women of our State."

JAMES L. McDEVITT.

★ Full Support of Labor's Non-Partisan League of Penna.

"In the fullest realization of responsibility for the choice made, the League supports your candidacy and appeals to the labor, liberal and fair-minded citizens generally to vote for your nomination in the Primaries and election in November as Governor of Pennsylvania."

Very truly yours,

PATRICK T. FAGAN,

State Chairman, Labor's Non-Partisan League of Pennsylvania.

★ Pittsburgh Central Labor Union In Forefront for Smith

At the meeting of the Pittsburgh Central Labor Union held April 16, 1942, delegates representing over 250,000 A. F. of L. members unanimously endorsed Judge Ralph H. Smith for Governor.

In announcing the enthusiastic endorsement, John A. Stackhouse, Secretary of the Pittsburgh Central Labor Union, said: "Every branch of labor is united in the production battle to preserve democracy. They are also in the forefront of the campaign in Pennsylvania to preserve labor's social gains through the election of Judge Ralph H. Smith as Governor. His election will be a victory for united labor."

United Labor will VOTE in the Democratic Primaries, Tuesday, May 19th, FOR VICTORY IN NOVEMBER

Much interest is being shown in the lilac tournament, with many gorgeous bouquets of lilacs being entered in this contest, which closes at noon on Saturday.

Players Club Performance Outstanding

The Warren Players' Club has most successfully achieved the impossible. Such a statement is not the opinion of one person but the belief of everyone in the large audience which greeted the first night of "The Man Who Came to Dinner" at the Woman's Club Thursday night.

Theatre-goers have watched the approach of the 31st public performance of the club with considerable misgivings. The task was an enormous one, for the directing, acting and producing stand-points, and few believed that the efforts of even the unusually talented Players' Club would be sufficient to make of this Broadway and screen comedy the success that would be desired.

Last night's performance would seem to indicate that there has been entirely too much borrowing of trouble and tonight's 32nd curtain will find the house completely sold out to those who want to see the play again or who missed the first performance.

There can be no allotting of best performances, since Director Astrid Cowden has molded the entire cast into a perfect whole in which every role, major or minor, depends upon the support of all the others.

Seeing "The Man Who Came to Dinner" is marked with one of the largest "must" signs of the Players' Club career.

Inventory of County Records Finished Under WPA Project

Harrisburg, May 15.—Publication of a guide to the county records, a work sponsored by the Warren County commissioners and the Pennsylvania Historical Commission, was announced today by Richard Irvin, State Work Projects Administrator. Called "Inventory to the County Archives of Warren County," it is one in a series whose purpose is to simplify the search for records.

This is among the last to be published, for redirection of the WPA program to work contributory to the war effort has forced abandonment of research activities.

As a guide to the records the volume should quickly find its way to the reference books consulted by attorneys. For this has been the experience with the volumes which have preceded. Whereas in the past, those whose business requires search of the county arch-

ives have been obliged to examine various assortments, and often without success, now they know where to look and have reasonable expectation of finding the records desired.

This is accomplished through an arrangement of the guide whereby each assortment is described as to its contents and the span of time included. Moreover, the book locates each assortment.

But while the work is designed principally for the use of attorneys, here is a book which will appeal to many in other fields of endeavor; it contains a wealth of material useful to student, teacher, historian, and publicist. Not alone is it an inventory but also a collection of essays on the governmental history of each office. It points to source material which few have been privileged to consult. And in doing so it makes re-

search practicable, for it eliminates the tedium and fruitlessness which usually stand in the way.

Representing the labors of various qualified persons on WPA, the volume in its final stage was produced under direction of J. Knox Milligan, State Supervisor of the program.

A number of schools and colleges in Pennsylvania are using this series in their history courses. Each volume includes, in addition to the essays on the county offices, a sketch on the general history of the county.

From those who have been furnished an advance copy of the book only commendation has been received. By the University of Pittsburgh Library: "We acknowledge with thanks the receipt of the documents noted below, recently received from your office. This series is proving of great interest and value to our patrons."

Dickinson College has this to say: "These are helpful additions to a series which already, though far from being completed, is a most useful and valuable tool for workers in the history of Pennsylvania and, indeed, in that of the nation, whose history must ultimately rest on the stories of our local communities."

Total damage and cost of forest fires in Canada was \$13,242,179 last year, worst in the country's history.

FINGERPRINT PROGRAM

It was stated at the borough police headquarters today that there will be a drive launched soon in Erie at which time canvassers will go from house to house fingerprinting all women and children. The records gained in this way, it is stated, will prove invaluable in the event of a necessary evacuation and separation of members of a family from each other.

STOCK RULED TAXABLE

Walter J. Kress, Acting Secretary of Revenue, has announced that Pennsylvania resident holders of General Motors Corporation stock are liable for payment of personal property tax for 1942. Effect of this determination was to make charges of stock of General Motors Corporation in hands of residents of Pennsylvania taxable for personal property tax when held on January 1, 1942.

COURT SESSION HELD

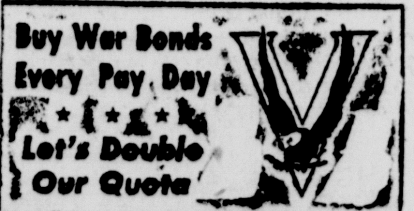

Two divorces were granted and two prisoners of the county jail were given releases on parole for one year in a session of argument court held at the court house today, presided over by Judge Allison D. Wade. Rex Confer and Wade Meddock, Mead township, sentenced to jail in February after pleading guilty to a larceny charge, were released upon order to make restitution of property stolen, pay fines and costs.

ACCIDENT REPORT

A report released by the local barracks of the state motor police today showed only two accidents having been investigated up to this date in May, the middle of the month. There were three at the same point for the same period last year, and in 1941 eight people had been injured with three people killed. There have been no injuries in the pair of May accidents this year. In 1941 at this point there had been a total of 46 accidents investigated and there have been only 28 according to report, investigated since the first of the year. This decrease was attributed to the fact that there is less traffic on the road, the motor police stated.

STEEL TERMS

In the steel industry, the man who runs the furnace is the "keeper," the hole through which molten slag drains is the "monkey," and the cinders that sometimes form in the furnace are the "bears."

What about A&P LOW PRICES now that everybody is talking about CEILING PRICES?

- Now, and after May 18th (when ceiling prices become effective), all A&P Super Markets and A&P Food Stores will continue to give you real low prices on fine foods every day, just as they have been doing.
- The new "ceiling price" regulation will not alter in any way A&P's low price policy. This means that every day at A&P you will continue to get the best foods the markets afford at our lowest possible prices.
- And here is another important fact to remember. **FOOD PRICES WILL NOT BE IDENTICAL IN ALL FOOD STORES** on and after May 18th. Prices will continue to differ in food stores on the same articles — just as they have heretofore.

Our Customers Save Money

A&P, during the last eight years, has made big reductions in its operating costs. These savings have been passed along to our customers, so that today they have 9c more of every food dollar to spend than they did in 1933.

It is A&P's policy to continue to conduct its business as economically as possible, thus to give you the utmost for every food dollar you spend at A&P Stores.

1st Lutheran Church Plans Anniversary

Former pastors of First Lutheran church and several sons now in the ministry will return in the coming week to participate in the 100th anniversary of its founding. The centennial observance will open Sunday, May 17, and conclude with vespers on the following Sunday.

Highlights of the centennial observance are found in the following outline of services: Sunday, May 17—7:45 a. m., Holy Communion and sermon by Rev. Karl Peterson, Evansville, Ind.; 11:00 a. m.—Holy Communion and sermon by Dr. A. B. Markley, Ph. D., of Collegeville, pastor here for seven years; 7:30 p. m., choral service with choir augmented in Gault's oratorio "The Holy City."

Tuesday, May 19—7:30 p. m., historical program and reception, with address by Rev. Carl H. Bartsch, of Minneapolis, Minn., and an historical survey of First church by Ernest C. Miller.

Wednesday, May 20—7:30 p. m., vesper service and sermon by Rev. Dr. George J. Gogaw, pastor emeritus of St. John's in Charleston, S. C., and pastor here in 1904-05.

Thursday, May 21—6:30 p. m., confirmations; dinner at Y. W. C. A., with Rev. Raymond Laufberger, of Delmont, as speaker.

Sunday, May 24—11 a. m., service and sermon by Dr. Reed Shepherd, president of Pittsburgh Synod; 7:30 p. m., vespers and sermon by Rev. William E. Bauer, of Harrison City, Pa.

A cordial invitation is extended to all to attend any of these services and the public is especially invited to enjoy the oratorio on Sunday evening, May 17. Mrs. Nicholas Andersen will be at the organ and soloists will be Merten J. Peterson, James E. Springer, Ruth Satterlund, Chester L. Randall, Mrs. W. E. Yeager, Miss Mabel E. Hill and Roger Webster.

LUDLOW

Ludlow, May 8.—An enjoyable Monday evening was spent at the Moriah Lutheran church when the members of the Ludlow Men's Bible Class entertained the members of the Sheffield Men's Bible Class. A program was presented. After the close of the program refreshments were served and a social hour enjoyed.

Those from Ludlow attending the final session of the Kane Men's Forum in the New Thomson Hotel Tuesday evening were: Okey Norlin, L. Bernal Connelly, Andrew Bair, Robert Knight, Gustav Olson, Tillie Olson, Mr. and Mrs. W. S. Cox, Mr. and Mrs. Evert Johnson, Mr. and Mrs. E. Wilbur Johnson, Mr. and Mrs. Emil Nelson, Mr. and Mrs. E. O. Nelson.

LeRoy Olson of Tempstad, Long Island, has been visiting this week with his parents, Mr. and Mrs. August Olson.

Mary Petzeck was a Bradford visitor Wednesday.

Mrs. Joseph Krantz and children of Erie are visiting at the home of her parents, Mr. and Mrs. E. J. Hiller.

Mrs. E. Wilbur Johnson was hostess to the members of the Ludlow Ladies' Aid Wednesday afternoon.

Mr. and Mrs. Arthur Gray and daughter, Barbara, left Thursday.

History Of Church Here Is Prepared

Reviewing the history of First Lutheran church in preparation for its centennial celebration May 17-24 has been no small task for its present minister, Rev. Edward K. Rogers, and his historical survey will form an important part of the Tuesday evening service and the anniversary program which is being assembled.

German Lutheran families perhaps held religious services in their homes before the guidance of a pastor was secured and the first visit of a Lutheran pastor cannot be dated with any certainty, but the year 1842 appears the time from which a congregation can be dated.

Events surrounding its early days are closely linked with the history and development of the community in that day and the men who ministered to the growing church group left many marks upon civic life as well as in the church circles.

Notice of application for charter for the First German Evangelical Lutheran Church of Warren, Pennsylvania, appears in a notice dated November 4, 1846 and signed by Thomas Clemons, proposed for advertisement in the Democratic Advocate. This charter was granted December 10, 1846 by the Court of Common Pleas of Warren County.

Growth of the church through the intervening years has been steady and today its confirmed membership totals nearly 1,200. In its early days the congregation worshiped in a church building located on East street near Fifth avenue, now the site of the Sheriden Brown home, and synodical records of 1867 show the cornerstone of the new \$10,000 brick church had been laid. It was remodeled in 1902 into the present structure. In 1928 the present parish house was purchased and added to the church, a step which left the church with a sizeable indebtedness that has just been liquidated in time for the centennial.

for Detroit, Mich., where they will make their home.

A pleasant Monday afternoon was spent at the home of Mr. and Mrs. Ben Peterson when a birthday party was held in honor of their grandchild, Tommy Safstrom, who was four years of age. The little guest of honor received many nice gifts and later refreshments were served. Guests present were: Vivian and Vernon Nelson, Jimmy and Mary Anna Connelly, Susan Anderson, Gail Olson, Boyd and Dennis Lee Frosnos, Connie Jean Erickson, Doris and Allene Johnson.

A Few Reasons Why REPUBLICANS Should Vote For JAMES J. DAVIS for Governor at Primaries Tuesday!

(Reprinted from the Sharon Herald)

Coercion of State Employees Brings

AN OPEN LETTER TO GOVERNOR JAMES

(An Editorial)

Dear Governor:

Several weeks ago you announced that you had no further political ambitions and that you would take no part in the coming primaries. The statement showed real political sagacity and promised to restore you to the good graces of many who have criticized your administration.

In view of your statement, we think it proper to bring to your attention some flagrant violations of your announced intentions. You are apparently condoning use of taxpayers' money to advance the candidacy of General Edward Martin. From a fiscal standpoint you have had an excellent administration and history will give you proper credit. Is your record now to be marred by the happenings of the closing months of your term?

For several weeks state employees have been kept busy in Mercer County when their duties are solely in Harrisburg. They are sent here to further the Martin candidacy, thus placing them in an embarrassing position. If such tactics are being pursued here it seems safe to assume that the condition exists throughout the commonwealth.

The assignment is particularly embarrassing for state employees here, where Senator Davis grew to manhood and where he is regarded with high esteem and affection. Common decency would suggest that Mercer County state employees be not coerced into making hypocrites of themselves. They speak a word here and there for General Martin when at heart they are for their fellow-townsmen, Senator Davis.

Coercion of state employees is no new or unheard of thing. Yet it is somewhat shocking when employees are made stooges of a supposedly upright administration by working for its espoused candidate at the expense of the taxpayers. It makes us wonder just how economical your administration has been. If these employees are on the state payroll with no other duties than to seek votes, we must conclude they were never really needed and that the state payroll is "padded."

Today it has come to our attention that state highway employees have been told to support Martin—or else. We don't mind telling you, Governor, Mercer County folks resent being told how to vote. So the latest "orders" will bring the Davis majority that much larger.

Jim Davis, as we know him here, is going to go out of Mercer County with a big vote. Well-authenticated reports indicate the equivalent of a landslide in the state. You might be interested to learn that our people, of every walk of life are rallying to the support of a poor boy who has not only achieved fame but has been a great benefactor to humanity. Personal jealousies and group ties will provide some votes for Martin but to date no man or woman of prominence or influence has been found to go to the front for General Martin. It would be considered the rankest ingratitude and disloyalty here. It isn't that we dislike General Martin. But knowing Jim Davis as we do we feel he is the man best qualified for the job.

In closing, we again ask if it is possible that your organization is so desperate as to use taxpayers' money to help a favorite in a primary. Must we conclude that no man may run for political office without selling himself to certain wealthy men who desire to dictate his actions once they have placed him in office? That doesn't sound like the kind of freedom we are fighting this war for. The people of Pennsylvania will not submit to dictatorship, Governor.

REPUBLICANS

If you want to carry Pennsylvania in 1942, consider this...

The Republicans NEVER LOST a state election in which DAVIS was on the Republican ticket!

The Republicans have not WON a state election in 12 years UNLESS Davis was on the Republican ticket!

In '30, with Davis, the Republicans WON the State Election
In '32, with Davis, the Republicans WON the State Election
In '34, without Davis, the Republicans LOST the State Election
In '36, without Davis, the Republicans LOST the State Election
In '38, with Davis, the Republicans WON the State Election
In '40, without Davis, the Republicans LOST the State Election
In '42 the man for you is

James J. Davis for Governor
Primaries, May 19th

ATTENTION VOTERS!

The right to vote is an important part of the American way of living, for which our soldiers are fighting on all fronts of the war. This right and privilege can be kept only by a people who think enough of it to USE it!

A small vote in Tuesday's primary will encourage those who hope Americans have lost their interest in freedom and democracy.

Make a large vote your answer. We urge all registered citizens, regardless of party or of candidate, to get out and vote in the important Primary Election on Tuesday, May 19th.

A vote at this election is a vote for victory on the home front! Vote—and get your family and your neighbors to vote—for Victory!

IT'S PATRIOTIC TO VOTE IN AMERICA
VOTE ON TUESDAY, MAY 19

Pew and Grundy are Desperate

(Reprinted from an Editorial that appeared in The VILLAGER, a Publication released in suburban Pittsburgh)

If money has anything to do with an election, Edward Martin, the candidate of the Messrs. Pew and Grundy, should win hands down in the coming primary that will be held on Tuesday, May 19, 1942.

United States Senator James J. Davis is the opponent of Mr. Martin and Senator Davis, together with his backers, have as much money in his campaign as the United States has tin or rubber. In other words, the Davis campaign is without the "folding stuff" while the Messrs. Martin Pew and Grundy have more "green" to their campaign than a head of lettuce has leaves.

We're not taking sides because we think both men are able and capable of serving as Governor but, we do take issue to the "buying" of an election and evidently that is what the "Brains" of Mr. Martin's candidacy think necessary.

Money is pouring into the Martin campaign from two sources... Pew and Grundy. Why they should elect to do this, we do not know but this we do acknowledge: some \$300,000 has already been spent by the Martin crowd on advertising and before election day has rounded its end, it is carefully estimated that close to ONE MILLION DOLLARS will be spent to have Edward Martin nominated.

It is difficult for us to perceive why all of this money should be spent when the job of Governor pays only \$18,000 a year.

Maybe you know the answer.

Maybe Mr. Pew of the Sun Oil Company and Mr. Grundy, head of the Pennsylvania Manufacturers Association, know the answer.

Truthfully, we have our own ideas about the whole thing. Don't you?

VOTE A STRAIGHT "INDEPENDENT TICKET"...

The Men for You in '42

DAVIS for GOVERNOR

HAMILTON for LIEUTENANT GOVERNOR

FINE for SUPREME COURT

SMITH for SECRETARY OF INTERNAL AFFAIRS

TRUSCOTT for CONGRESSMAN-AT-LARGE

(In Juniata County alone, which has a population of 15,273, it has been "bragged" that \$12,500 will be spent to win the support of some 4,000 Republicans. Figure it out for yourself as to who and whom is "buying this election!")

"No," said Jack. "And if you think I'm going to be shy about letting the world know I want you, you're wrong—bad wrong." He ate his grapefruit in silence. "Now," he went on suddenly, "about this business of yours, you still determined to leave me waiting at the church?"

"WHAT has that got to do with me?" Kathleen demanded. "Plenty," said Uncle Frank. "You want to be an actress, and I've learned from my own experience that the moment most girls become actresses they consider themselves something set apart

Johnny Solomon, manager of the K. of C. softball team, announced today that the club will practice every evening next week on the west side diamond.

Drills are to begin each evening weather permitting, at six o'clock and players are asked to be present at all of the rehearsals possible in preparation for the City League program which opens May 25th.

Solomon announced that any players still wishing to try out for the team are welcome to do so next week.

Banks Commended For Fine Work On Series E Bonds

According to an announcement of Harold W. Graves, Assistant Secretary of the Treasury, the banks of the United States, working as volunteers and without compensation, sold 55% of the dollar volume of Series "E" War Bonds during the first year of the Treasury's bond campaign.

Discussions plans for the campaign to sell a billion dollars a month in War Bonds during the next year, Mr. Graves paid tribute to the thousands of volunteers, individuals, and organizations whose work has carried forward the bond program in the past, and he indicated that the same patriotic workers are expected to lift every town, county, and state up to its given quota mark in the new drive. In a resume of the past year of the campaign and a prospectus of future aims, Mr. Graves stated that average sales had run 250 million a month in the seven months before Pearl Harbor, but had increased to an average of

700 million a month after the Japanese attack. The present national quota for May is 600 million. It will be increased to 800 million in June and stepped up to one billion in July and thereafter. In order to achieve this goal and keep War Bond sales on a voluntary basis, great increases must be obtained in the percentage of salaried workers participating in the voluntary pay roll savings plan, and in the dollar per person purchases by each of these individuals, Mr. Graves said.

Within a few days the results of the Pledge for Victory campaign in Warren County will be published, and further effort will be made by the War Savings Committee to be sure that Warren County reaches its quota of sales of Series E, F, and G bonds in the amount of \$116,700 for the month of May, compared with an average of \$54,542 for the seven months from July, 1941, to January, 1942, inclusive.

Mexican Ship is Torpedoed
(From Page One)
The ship, the 7,500-ton Potrero Del Llano, became an inferno. Thousands of persons gathered on the sands of Miami Beach, after the torpedoing Wednesday night, and for hours watched the flames and towering pillar of smoke from the tanker before it sank.

In Mexico City, the government addressed a note to Germany, Italy and Japan demanding "complete satisfaction and a guarantee of damage reparations" by May 21, threatening otherwise to "take a position in accordance with Mexican honor."

Tax Proposal is Rejected
(From Page One)
The bill found themselves "in a sheltered position" and "are obtaining essentially windfall profits in a time of national sacrifice."

Doughton announced that the committee probably would consider next the compelling of married couples to file joint individual income tax returns—another part of the treasury program which Morgenthau said would produce \$300,000,000.

Commemorate before MEMORIAL DAY
With the awakening of Nature in springtime, comes the privilege of beautification of your cemetery lot, through the erection of a superb monument to a loved one. We invite you to our new and complete showing of genuine Rock of Ages Memorials—each a masterpiece of material, design and craftsmanship, and each "signed" with the etched Rock of Ages seal. Memorials so marked leave to you and your posterity no possible regret, because they are covered by a bonded guarantee of everlasting perfection. Our advice is yours—without obligation.

striking at the Allied supply line to Soviet Murmansk, bombed the convoy between North Cape and Spitzbergen.

The announcement said a 5,000-ton icebreaker and a 2,000-ton merchant ship also were destroyed and a 10,000-ton freighter was left afloat.

The Pensacola class consists of the Pensacola and the Salt Lake City, each with a normal crew of 663 men, ten 8-inch guns and four catapult-launched planes.

In the Crimea, a Soviet communiqué reported that "stubborn fighting" continued, but gave no indication that the Germans had reached the gates of Kerch City, as claimed by the Nazi command.

A German spokesman last night declared Axis troops had crossed the "last ditch," an old line of fortifications only 15 miles from the city, after a 37-mile advance in six days.

While the defenders of Kerch fought with their backs to the sea, the garrison at long-besieged Sevastopol, Russian Black sea naval base 150 miles west of Kerch, was reported slashing at Nazi lines in an attempt to ease the pressure on their beleaguered comrades.

Soviet dispatches declared Sevastopol snipers had killed 1,000 Germans in 10 days and blown up a Nazi supply train.

Davis, in Wynote, denounced the Philadelphia wage tax and declared he was in favor of lower state-wide taxes. He called on Martin to withdraw from the race in the interests of a Republican victory in the fall.

Pittsburgh Judge Ralph H. Smith, Democratic gubernatorial candidate, told a Philadelphia rally the endorsement of James B. Clark, city chairman, "sealed the situation" for his candidacy.

Auditor General F. Clair Ross, Democratic candidate, claimed 31 of Philadelphia's 51 ward leaders supported him and Luther A. Harr, the third Democratic candidate, charged collusion between Ross and Davis.

Harr said more than 500 Democrats had been appointed in Philadelphia as voting machine inspectors, assigned to "look after Davis' interests as well as Ross'."

Japs Said to Be 80 Miles Inside India
(From Page One)
In eastern China, a Tokyo broadcast credited Japanese forces with inflicting a heavy defeat on the main body of the 22nd Chinese Division in a battle 17 miles northwest of Kussienchen, in central Hopei province.

Other far Pacific developments included: Battle of Australia—Gen. Douglas MacArthur's headquarters reported that long-range allied bombers again heavily pounded Japanese ships in the harbor of Rabaul, New Britain, and scored smashing victory over enemy fighters which tried to intercept them.

A communiqué said gunners in the big bombers—presumably including giant American flying fortresses—shot down seven of 15 Japanese planes attacking them. All Allied planes returned safely.

Other United Nations bombers raided the Japanese seaplane base in the Louisiana archipelago, off the southeast coast of New Guinea sinking an enemy seaplane and leaving shore targets in flames.

The Japanese countered with two heavy raids on Port Moresby, key Allied base in southern New Guinea, first attacking the air drome with 13 fighter planes and then striking at ships in the harbor with 26 heavy bombers.

Tokyo Handshake—Japan's puppet state of Manchukuo has ratified an agreement with Russian-sponsored outer Mongolia to end the prolonged border dispute which flared into open warfare three years ago, a Tokyo broadcast announced today.

Thus Japan, through her vassal, sought to give the impression that her intentions toward Russia are peaceful.

Meanwhile, DNE, the German news agency, reported that the Japanese navy launched two new 45,000-ton battleships and four 35,000-ton battleships last year and will launch three more battleships of unspecified size this year.

The figures quoted for Japanese construction far exceed those credited by United Nations authorities.
